4th April 1985

Mr. K. Nolan,
Registry of Co-operative Societies,
250 Elizabeth Street,
MELBOURNE, 3000.

Dear Kerry,

The Co-operative Federation of Australia, together with the Co-operative Federation of Victoria, is organising a meeting to discuss co-operatives and taxation. Meetings are to be held in all States and will culminate in a Co-operative Taxation summit, to be held in Canberra.

The Victorian meeting is scheduled for Wednesday, 17th April at 10 a.m., to be held in the S.E.C. auditorium at Monash House, 15 William Street, Melbourne.

Letters of invitation have been sent to all Victorian co-operatives. Credit co-operatives are being informed by their national body, A.F.C.U.L. This letter is to extend to you an invitation to attend.

Whilst I appreciate the Registry is not particularly concerned about the taxation position of co-operatives, they may wish to be aware that this conference is being held.

I believe that it is important that as many views as possible on the taxation issue should be canvassed in order that the final submission made on behalf of the Co-operative movement to the Federal Government will be both comprehensive and comprehensible.

I look forward to seeing you at the conference.

Yours sincerely,

A. B. Miller,
Executive Officer.
